

Late Collection and Non-Collection of Children Policy

At **Brentwood Day Nursery** we have morning, afternoon, school day and all-day sessions. Parents can collect their child from the nursery flexibly within this period. We ask them to be no later than the session end time, for example if they attend the morning session, we expect children to be collected no later than 1pm, at 3pm for school day sessions and afternoon or all day session no later than 5.30pm. We understand that some parents may arrive earlier to collect their child, which is acceptable. However, the full fees remain in place for the allocated session times.

We give parents information about the procedures to follow if they expect to be late. These include:

- Calling the nursery as soon as possible to advise of their situation and expected time of arrival
- Agreeing a safety password with the nursery in advance to be used by anyone collecting a child who is not the parent (emergency contact or pre discussed person over 18 years of age)
- Asking the emergency contact person to collect their child wherever possible
- Informing the nursery of this person's identity so the nursery can talk to the child if appropriate. This will help to reduce or eliminate any distress caused by this situation
- If the emergency contact is not known to the nursery staff, the parent must provide a detailed description of this person and their relationship to the child or family. This emergency contact person must know the individual child's safety password for the nursery to release the child into their care. This is the responsibility of the parent.

If a child has not been collected from the nursery after a reasonable amount of time has been allowed for lateness, we initiate the following procedure:

- The nursery manager will be informed that a child has not been collected
- The manager will check for any information regarding changes to normal routines, parents' work patterns or general information. If there is no information recorded, the manager will try to contact the parents on the telephone numbers provided for their mobile, home or work. If this fails the manager will try the emergency contacts shown on the child's records, starting with the most closest
- The manager or staff member in charge and one other member of staff must stay behind with the child (if outside normal operating hours). During normal operating times, the nursery will plan to meet required staff ratios. If the parents have still not collected the child, the manager will telephone all contact numbers available every 10 minutes until contact is made. These calls will be logged on a full incident record
- In the event of no contact being made after one hour has lapsed, the person in charge will ring the local authority children's social services emergency duty team (contact number is on the notice board)
- The nursery will inform Ofsted as soon as convenient (contact number is on the notice board)
- The two members of staff will remain in the building until suitable arrangements have been made for the collection of the child

- The child's welfare and needs will be met at all times and to minimise distress staff will distract, comfort and reassure the child during the process
- To provide this additional care a late fee of £5 after the first 5 minutes then £1 for every minute thereafter will be charged to parents. This will pay for any additional operational costs that caring for a child outside their normal nursery hours may incur.
